GETTING TO KNOW YOUR LMHAIRTIE

Reset Button On/Off Switch

Slide to extend
USB port

OPERATING THE LMHAIRTIE

IMPORTANT NOTICE: Allow the device to charge 4 – 6 hours before using.

HOW TO CHARGE LMHAIRTIE

1. Make sure the USB port is in the extended position.
2. Plug the device into the USB port of your computer.
 - The indicator light will blink red while charging.
 - When the device is fully charged, the indicator light will be solid red.

NOTICE: The indicator light is hard to see. You may need to cup your hand against the device to see the light properly.

HOW TO START AUDIO RECORDING

1. Push the recording switch into the ON position.
 - The indicator light will turn blue. This may take a few seconds.
 - The device is now recording audio.

NOTICE: Since the USB is voice activated, it will automatically stop recording if the voices are too quiet. When the voices rise in volume, the device will automatically resume recording.

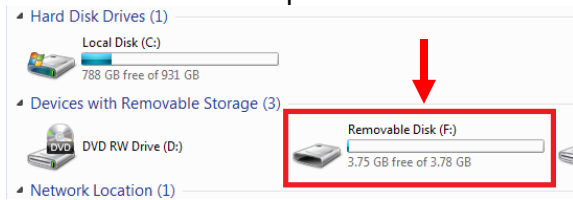

HOW TO STOP AUDIO RECORDING

1. Push the recording switch to the “Off” position.
 - The indicator light will turn off.
 - The audio file is automatically saved.

HOW TO SET THE TIME AND DATE STAMP (Windows ONLY)

1. Plug the device into your PC.
2. Locate “Removable Disk” inside the (My) Computer folder.

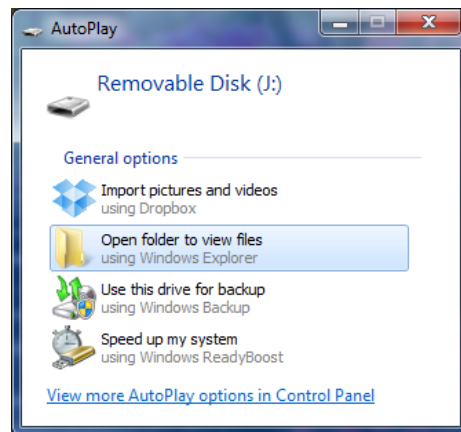

- Go to Start > Computer > Removable Disk

3. Open the Removable Disk drive.
4. Open the "SetUDiskTime(9x)" folder.
5. Double click the "SetUDiskTime(9x)" program.
6. The device will sync the time on your computer with the audio recorder.

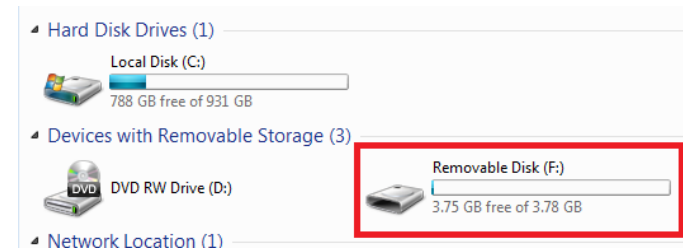

RETRIEVE THE FILES TO YOUR PC

1. Plug the device into your computer.
2. Locate "Removable Disk" inside the (My) Computer folder.
 - AutoPlay Removable Disk > Open folder to view files

Or...

- Go to Start > Computer > Removable Disk

3. Open the Removable Disk drive.
4. Open the Record Folder.
5. Double click the file you want to view.
